Plaintiffs,

vs.

DONALD D. ARMSTRONG and LORI

ENTERPRISES, LLC and
GOLDENBAND, LLC, Oregon limited

Case No. 20CV29671

Plaintiffs' UNOPPOSED motion for
preliminary class action settlement approval

Assigned to Judge Skye

If the Court believes that oral argument would be helpful, it is estimated that 15 minutes will be required for argument of this motion, and official court reporting services are requested. Defendants do not oppose the motion.

MOTION

Plaintiffs file this unopposed motion for an Order:

1. Preliminarily approving the class action settlement agreement (attached hereto) as fair, reasonable, and adequate;
2. Approving plaintiff Timothy South's settlement of defendants' counterclaim and Mr. South's counterclaim-in-reply (copy of settlement agreement attached hereto) as fair and reasonable, and as not creating a conflict with Mr. South's duties to the class members;

3. Appointing Settlement Services, Inc. (SSI) as class administrator, which is the same administrator that distributed the initial class notices;
4. Approving the notices attached as Exhibits C and D to the settlement agreement and the procedures for issuing the notice to the class members as fair and reasonable, providing the best notice practicable under the circumstances to the class members, and satisfying all due process rights of the class members with respect to the claims and the settlement agreement.
5. Setting a 30-day period for putative class members to object to the settlement;
6. Authorizing a 90-day period for putative class members to make claims; and
7. Setting a date for hearing objections, if any, to the proposed settlement, the proposed attorney fee and expenses awards, and/or the proposed service payments to the class representatives.

Terms of the Proposed Settlement

Under the proposed settlement, the gross settlement amount is \$3,550,000. Defendants will pay out between \$2,250,000 and \$3,550,000 as a result of the class claims in this case, which breaks out into the following constituent numbers:

- \$100,000 in guaranteed unpaid-wage distribution to the class members (actual damages and interest)
- \$686,666.67 in guaranteed penalty-wage distribution to the class members
- \$1,300,000 in additional claimable funds (penalty wages and interest)
- \$1,183,333.33 (1/3 of the gross settlement) to plaintiffs' counsel for attorney fees
- \$30,000 in total service payments to the two named plaintiffs (\$15,000 each)
- Up to \$125,000 in costs and non-administrative litigation expenses
- Up to \$125,000 for class administration expenses

The settlement provides for class counsel to petition the Court for a common-fund award of attorney fees not to exceed one third of the gross settlement figure (*i.e.*,

1 \$1,183,333.33). This is in the range of common-fund fee percentages awarded by
2 other courts in similarly complex wage-and-hour settlements. For example, “Several
3 courts in the Ninth Circuit have held in wage and hour class actions that a 30% or
4 higher award is appropriate.” *Bell v. Consumer Cellular, Inc.*, No. 3:15-CV-941-SI,
5 2017 WL 2672073, *12 (D Or June 21, 2017), citing *Miller v. CEVA Logistics USA,*
6 *Inc.*, No. 2:13-CV-01321-TLN, 2015 WL 4730176, *8 (ED Cal Aug 10, 2015) (noting
7 that courts in the Ninth Circuit “usually award attorneys’ fees in the range of 30-40%
8 in wage and hour class actions” where the common fund is under \$10 million).
9 Courts have commonly approved awards of approximately 33% in such cases. *Id.*,

12 2015); *Burden v. SelecQuote Ins. Servs.*, 2013 WL 3988771, *5 (ND Cal Aug 2, 2013);

17 (ED Cal Nov. 14, 2007).

18 The agreement also provides for the award of previously incurred costs and non-
19 administrative litigation expenses to class counsel of up to \$125,000.

20 The agreement also provides for the two named plaintiffs to petition the Court for
21 service payments not to exceed \$15,000 each.

22 And up to \$125,000 has been provided for class administration expenses.

23 Under the settlement, each class member is entitled to a payment. The net class

1 funds (*i.e.*, after reduction for attorney fees and costs, service payments, and class
2 administration costs) will be allocated to the class members in two categories,
3 guaranteed funds and claimable funds:

- 4 1. Guaranteed Funds of \$100,000, which will be distributed in equal categorical
5 shares to each of the 3,212 Class Members, regardless of whether they submit
6 a claim or not. The Guaranteed Funds represent the following figures,
7 intended to make the Class Members whole for any alleged violations in this
8 case:

9 a. \$63,661.84 in alleged unpaid wages in equal shares to each Class
10 Member (\$19.82 per class member¹);

11 b. \$36,359.84 in alleged prejudgment interest on unpaid wages, in
12 equal shares to each Class Member (\$11.32 per class member);

- 13 2. Claimable Funds equal to \$1,987,532.22. The Claimable Funds will be
14 allocated to the 2,278 Penalty Subclass Members (\$872.49 per subclass
15 member). Each Penalty Subclass Member who submits a valid and timely
16 Claim Form will be distributed their share of the Claimable Funds. The share
17 of Claimable Funds allocable to any Penalty Subclass Member who does not
18 submit a valid and timely Claim Form will be deemed Unclaimed Funds and
19 revert to Defendants.

20
21
22 ¹ The amounts per class and subclass member in this motion differ slightly from
23 those in Exhibits B and C to the settlement agreement, due to a post-signature
mutually acceptable revision by the parties to the class list. The correct amounts
listed here (which are more than the previous amounts listed in the notices) will be
substituted in the copies of the notices that the administrator distributes.

1 The proposed distributions for each class member are noted in Exhibit A to the
2 settlement agreement; employee names have been redacted from the publicly filed
3 exhibit but are included on the paper copy provided to chambers.

4 Any amounts remaining in the settlement administrator's account after
5 distributions to class members will be distributed as a cy pres award, 50% to Legal
6 Aid and 50% to the Northwest Workers' Justice Project, a local 501(c)(3) nonprofit
7 whose work focuses on employee rights education and enforcement.

8 **The Proposed Settlement is Fair, Reasonable, and Adequate**

9 The parties have engaged in extensive ongoing arms'-length settlement
10 negotiations, including three mediation sessions with respected mediator Hon.
11 Henry Kantor. In addition, counsel for plaintiffs and defendants have evaluated and
12 discussed several potential issues with the claims, defenses, counterclaim, and
13 counterclaim-in-reply remaining at issue in this case, how they might play out at
14 trial, and possible methods to account for various strengths and weaknesses in the
15 settlement value of the case. The proposed settlement will result in a payout to the
16 class of *all* of their actual damages, as well as between 10% and 28% of the penalty
17 wages available under statute (depending on how many make claims). There are
18 several reasons that a settlement in this case provides advantages to the parties over a
19 trial.

20 Most importantly, the issue of collectability is substantial. The individual
21 defendants have retired and moved out of state, and their two LLC companies have
22 sold all of their McDonalds franchises to other franchisors. Plaintiffs and their
23 counsel are satisfied that the proposed settlement is fair, reasonable, and adequate

1 given the reachable resources available to pay a judgment. In addition, on the merits,
2 there are non-frivolous concerns regarding the viability of the various categories of
3 rest period and meal period claims, which, while not unprecedented, are also
4 somewhat novel and could require lengthy appeals to settle definitively. And the
5 accrual of attorney fees disproportionate to the amount in controversy remains at the
6 forefront of settlement negotiations, as always. Other factors taken into account in
7 negotiating the settlement amount include the relatively small amounts of the actual
8 underlying violations (with potential juror hesitancy to award large punitive awards
9 thereon); the potential for the class certification not to survive through trial and
10 appeal; and the non-insured nature of this action and potential to collect on a full-
11 value judgment.

12 Finally, the allocation of residual funds to *cy pres* organizations in the settlement
13 could be otherwise unavailable at trial. There are two benefits to *cy pres* relief. First,
14 it prevents a full reversion to defendants, which means that the settlement retains its
15 punitive and deterrent effect. Second, the *cy pres* funds will (indirectly) benefit the
16 class through the ongoing work of Legal Aid and the Northwest Workers' Justice
17 Project (a local non-profit organization dedicated to employee rights education and
18 enforcement).

19 **Mr. South's separate settlement of his individual claims is fair and**
20 **reasonable and does not create a conflict with his duties to the**
21 **class members**

22 Separate from the class settlement agreement, Mr. South is settling the
23 counterclaim against him and his counterclaim-in-reply against defendants in the
amount of \$7,500. This was negotiated separately from the class settlement. The

1 amount is fair and reasonable given the nature and amount of the counterclaim and
2 counterclaim-in-reply, and it does not represent any conflict with his duties to the
3 class members.

4 5 **The Proposed Notice Plan is the best practicable** 6 **and satisfies due process**

7 The proposed class notices are attached as Exhibits C and D to the settlement
8 agreement. The long notice has a Flesch-Kincaid reading level of 7.4, which indicates
9 that it can be understood by those with slightly less than an 8th-grade reading level;
10 it has also been reviewed using [NoticeAssist](#), an AI-assisted software tool that helps
11 find and rewrite unclear or confusing language in class action notices. That will be
12 mailed and emailed to all of the class members. They will also be texted the short
13 notice. Class members will have 90 days to file claims.

14 Class members who have not filed claims will be texted reminders every 30 days
15 of the claims period, and mailed a reminder postcard at the 60-day mark.

16 **Conclusion**

17 For the reasons set forth above, plaintiffs move for an Order:

- 18 1. Preliminarily approving the class action settlement agreement (attached
19 hereto) as fair, reasonable, and adequate;
- 20 2. Approving plaintiff Timothy South's settlement of defendants' counterclaim
21 and Mr. South's counterclaim-in-reply (copy of settlement agreement attached
22 hereto) as fair and reasonable, and as not creating a conflict with Mr. South's
23 duties to the class members;

3. Appointing Settlement Services, Inc. (SSI) as class administrator, which is the same administrator that distributed the initial class notices;
4. Approving the notices attached as Exhibits C and D to the settlement agreement and the procedures for issuing the notice to the class members as fair and reasonable, providing the best notice practicable under the circumstances to the class members, and satisfying all due process rights of the class members with respect to the claims and the settlement agreement.
5. Setting a 30-day period for putative class members to object to the settlement;
6. Authorizing a 90-day period for putative class members to make claims; and
7. Setting a date for hearing objections, if any, to the proposed settlement, the proposed attorney fee and expenses awards, and/or the proposed service payments to the class representatives.

2. Proceedings.

Class Representatives will file an unopposed motion to preliminarily approve this Settlement, and

to approve the form(s) of Notice. The motion will include the form of the Notice and manner of providing it to the Class Members of the Settlement, including, among other things, their right to object to the Settlement in person or appear by counsel. The Notice shall inform the Class Members of the dates designated by the Court for making a claim or objecting to the Settlement, as well as a date for the Fairness Hearing.

In the event the Court expresses concerns about the Settlement before Final Approval, Class Representatives and Defendants will confer in good faith to see if they can reach agreement on modifying the Settlement and/or filing an amended motion to obtain court approval.

Notice will issue within 45 calendar days from Preliminary Approval.

Class Counsel will prepare unopposed motions for Preliminary Approval and Final Approval. Defendants will cooperate as necessary. The Settlement Administrator will also cooperate in preparation and submission of a declaration outlining its Settlement Administration actions. Class Counsel will provide drafts of the unopposed motions for Preliminary Approval and for Final Approval to Defendants' counsel for review before filing. The motion for Final Approval will be submitted within the latter of (1) 45 calendar days after the close of the objection period, and (2) receipt of a signed stipulated money judgment by defendants for the settlement funds, along with signed covenant not to enter or execute on that judgment if (A) final approval is not granted, and/or (B) payments are made in accordance with paragraph 3.C.

Class Counsel will file the unopposed motion for Final Approval within 45 calendar days after the close of the Objection Period, and after receiving Defendants' approval of the motion, which will not be unreasonably withheld.

3. The Settlement Fund.

A. Definition.

The Litigation shall be settled hereby and as provided herein. The Parties agree that the Gross Settlement Fund represents Defendants' total Settlement liability and will not exceed Three Million Five Hundred Fifty Thousand Dollars (\$3,550,000.00).¹ The Gross Settlement Fund represents the maximum amount that Defendants will pay to Class Counsel and the Class Members pursuant to this Settlement, inclusive of the allocations of the Settlement Fund to Class Members, employee shares of payroll taxes on the applicable portion of the Guaranteed Funds, Court-awarded Class Counsel's Fees and Costs, Court-awarded Service Payments, and Settlement Administration Costs. Defendants shall not be called upon or required to contribute additional monies above the Gross Settlement Fund under any circumstance whatsoever, with the sole exception of the employer share of any payroll taxes as detailed in Paragraph 3.B. The amounts allocable to the different categories of the Gross Settlement Fund are as follows:

- i. Class Counsel will petition the Court for an award of Class Counsel's Fees and Costs not to exceed attorney fees of \$1,183,333.33, and costs and non-administrative expenses of up to \$125,000. Defendants will pay this amount to the QSF regardless of the Court's decision on the petition for Class Counsel's Fees and Costs, with any amount not awarded to Class Counsel by the Court to be deemed Unawarded Funds and distributed

¹ This figure represents Defendants' liability to the Class Members. Defendants remain responsible to the respective governmental entities for any payroll or other taxes it owes to any such entity as a result of such liability.

- in accordance with Paragraph 6.G. of this Agreement;
- ii. The Class Representatives will petition the Court for an award of Service Payments not to exceed \$15,000 each; Defendants will pay this amount to the QSF regardless of the Court's decision on the petition for Service Payments, with any amount not awarded by the Court to be deemed Unawarded Funds and distributed in accordance with Paragraph 6.G. of this Agreement;
 - iii. It is estimated that past and future Settlement Administration Costs will not exceed \$125,000, and this amount will be petitioned from the Court. Defendants will pay this amount to the QSF regardless of the Court's decision on the petition, with any amount not awarded by the Court to be deemed Unawarded Funds and distributed in accordance with Paragraph 6.G. of this Agreement. Any amounts remaining upon completion of the Settlement Administration will be deemed Residual Funds and distributed in accordance with Paragraph 6.F. of this Agreement;
 - iv. The Net Settlement Fund consists of the Gross Settlement Fund minus the allocations for Class Counsel's Fees and Costs, Service Payments, and Settlement Administration Costs. It is made up of Guaranteed Funds and Claimable Funds:
 - a. Guaranteed Funds of \$100,000, which will be distributed pro rata to each Class Member, regardless of whether they submit a claim or not. The Guaranteed Funds represent the following figures, intended to make the Class Members whole for any alleged violations in this case:
 - (1) \$63,647.64 in alleged unpaid wages pro rata to each Class Member, from which wage withholdings will be made, and for which a W-2 will issue; and
 - (2) \$36,352.36 in alleged prejudgment interest on unpaid wages, pro rata to each Class Member, from which no wage withholdings will be made, and for which a 1099 will issue;
 - b. Claimable Funds equal to \$1,986,666.67. The Claimable Funds will be allocated pro rata to each of the Penalty Subclass Members. That amount will be the "claimable share" amount.
 - (1) **Payment by Defendants:** The claimable share amounts for all Penalty Subclass Members will be added together. The portion of the Claimable Funds that Defendants must pay is called the "Claimed Amount." The Claimed Amount will be equal to the sum of the claimable share amounts for all Penalty Subclass Members who submit valid and timely claims, or \$686,666.67, whichever is greater. Defendants will pay at least \$686,666.67 in Claimable Funds regardless of how many claims are made.
 - (2) **Distribution to Penalty Subclass Members:** Each Penalty Subclass Member who submits a valid and timely Claim Form will be distributed their share of the Claimable Funds. The Claimable Funds share allocable to any Penalty Subclass Member who does not submit a valid and timely Claim Form will be deemed Unclaimed Funds and revert to Defendants (subject to the minimum claimable funds payout of \$686,666.67). All claimed Claimable Funds represent penalty wages and interest, from which no wage withholdings will be made, and for which a 1099 will issue. For allocation purposes, 72.44% of each claimable share will be allocated to penalties, and 27.56% will be

allocated to prejudgment interest on those penalties. Any portion of the Claimed Amount that is not distributed to Penalty Subclass Members will be deemed Residual Funds and disbursed in accordance with paragraph 6.F of this Agreement.

B. Payroll Taxes.

Defendants remains responsible for the employer share of payroll taxes on the alleged unpaid wages portion of the Guaranteed Funds in Paragraph 3.A.iv.a.(1) above, and such employer share shall not be deducted from the Gross Settlement Fund in any way. The Settlement Administrator will deduct each Class Member's share of payroll taxes from the alleged unpaid wages portion of the Guaranteed Funds due to that Class Member in Paragraph 3.A.iv.a.(1) above, as if the Class Members had completed W-4s as single filers, and pay such amounts to the appropriate taxing authorities upon distribution. The Settlement Administrator will use a 365-day miscellaneous pay period. The Settlement Administrator will provide all necessary information, including payment and tax information for everyone receiving wages, in Excel format to Defendants to allow them to complete requisite employer payroll tax submissions within two weeks of issuing the wage checks. Except as specifically noted in this Agreement, each person will remain responsible for its own taxes, penalties, interest, fees, or other amounts determined to be due or owing by any taxing authority.

C. Payment.

- i. Defendants will pay \$100,000 in earnest money on or before December 6, 2024; this amount will be via check made out to "Jon M. Egan, PC IOLTA Account". Upon final approval of the settlement, the money will be applied toward any attorney fee award by the Court. If the settlement is not finally approved, the funds will be returned to defendants. Note that, because this is an IOLTA account, neither plaintiffs' counsel nor defendants will accrue interest on this amount.
- ii. Within 10 days of the preliminary approval of the settlement in this case, defendants will wire \$1,900,000 to an interest-bearing Qualified Settlement Fund established by the settlement administrator. In the event that the settlement is not approved, the settlement administrator will return these funds to defendants.
- iii. Within 30 days of the end of the claims period, defendants will wire the remaining funds due to the QSF. This amount will be at least \$250,000, but will not exceed \$1,550,000, and will be determined by the number of Penalty Subclass claims submitted.

D. Disbursements.

Within 30 calendar days after the Effective Date, the funds in the QSF will be distributed according to the terms of this Settlement Agreement. The checks will bear a prominent statement of the stale date, which the Settlement Administrator shall calculate as 180 calendar days following the mailing date. Any Settlement funds remaining in the QSF after the stale date will be deemed Residual Funds. Between 195 and 210 calendar days following the distributions to Class Members, the Settlement Administrator will distribute all Residual Funds to the *cy pres* beneficiaries as provided in this Settlement Agreement.

E. Surety for prompt payment

- i. Time is of the essence with regard to the above payment dates.
- ii. Within 10 days of preliminary approval of the settlement, the parties will execute a joint general judgment and money award for the full top-line amount of the judgment. The parties will also execute a covenant not to execute on that judgment if the payments in paragraph 3.C are made on time.
- iii. To secure the amounts due under this agreement, defendants, and each of them, grant plaintiffs a security interest in all real and personal property owned by defendants or held in trust for any defendants, whether tangible or intangible, wherever located.

4. Responsibilities of the Settlement Administrator.

A. Transfer of Contact Information.

Within 10 calendar days of Preliminary Approval, Defendants will provide Class Counsel and the Settlement Administrator with the same information provided for notice to the Class Members, including last known names, dates of birth, social security numbers, and mailing addresses, email addresses, and telephone numbers of all of the Class Members.

B. Pre-Notice Address Check.

The Settlement Administrator will check all mailing addresses prior to the initial mailing of the Notice against a national database. The Settlement Administrator will perform one skip trace per Class Member for the first item of any mailing (whether Notice, Reminder Notice, or disbursement) that is returned as undeliverable and remit that item to any updated address discovered. If more than one item is returned as undeliverable by first-class mail for the same Class Member, and that Class Member does not submit a Claim Form or updated address at the website, that Class Member's share of Guaranteed Funds will be deemed Residual Funds and their share of Claimable Funds (if any) will be deemed Unclaimed Funds and revert to Defendants.

C. Notice Dissemination.

Notices will be sent by first-class mail, email, and text message to the last-known home addresses, email addresses, and telephone numbers of Class Members and will include estimated pro rata share of Settlement payments (*i.e.*, share of Guaranteed Funds and Claimable Funds, if any) for all such Class Members. All Notices will contain a scannable QR code and/or clickable link (as appropriate) to the website for the Settlement, UTBGoldenbandClassAction.com, which will be maintained by the Settlement Administrator. Class Members will have 30 days from notice to object to the settlement, and Penalty Subclass Members will have 90 calendar days from notice to make claims. The address of the Settlement Administrator will be used as the return address for the Notices and Settlement checks.

D. Reminder Notices.

The Settlement Administrator will distribute reminder emails and text messages every 30 days and a reminder postcard at the 60-day mark to any Penalty Subclass Member who has not filed a claim or updated their address at the website.

E. Settlement Website.

The Settlement Administrator will maintain the UTBGoldenbandClassAction.com website for this Settlement. On the website, each Class Member will be able to securely submit a Claim Form and/or change or update their mailing address. The website will contain the Notices, the Complaint, the

motion for Preliminary Approval, the Preliminary Approval order, the motion for Approval of Class Counsel's Fees and Costs, Service Payments, and Settlement Administration Costs, the Settlement Agreement, and any other document that the Parties jointly deem or the Court deems should be posted there. The website will also contain mailing and email addresses and fax and phone numbers for the Settlement Administrator, at which Class Members can submit communications, including Claim Forms.

F. Support of Final Approval Motion.

The Settlement Administrator will submit a declaration in support of Final Approval of this Settlement identifying its efforts in administering this Settlement, including a report of the Penalty Subclass members who have submitted Claim Forms, and any objections received.

G. Calculations, Notices, Administration, Withholdings, Distributions, Tax Reporting.

In addition to calculating the individualized amounts of the Net Settlement Fund to be distributed to Class Members in accordance with the terms of this Agreement, the Settlement Administrator will produce and mail, email, and text all Notices and Reminder Notices, receive and process the Class Members' claims and objections, and prepare and distribute the Settlement checks and IRS Forms W-2 and 1099-MISC. The Settlement Administrator shall certify to the Parties that such W-2 and 1099 Forms have been properly mailed to Class Members on or before February 1 of the year following the Gross Settlement Fund disbursements.

5. Class Counsel's Fees and Costs.

Class Counsel may move the Court for a Class Counsel's Fees and Costs award including no more than \$1,183,333.33 in attorney fees and no more than \$125,000 in costs and non-administrative expenses. Defendants takes no position on Class Counsel's request for this amount of Class Counsel's Fees and Costs. Any Class Counsel's Fees and Costs awarded will be disbursed contemporaneously with the disbursement of the Net Settlement Fund payments. In the event that the Court orders a Class Counsel's Fees and Costs award of less than the requested amount, (a) that occurrence shall have no bearing on the validity or enforceability of this Settlement Agreement, and (b) any un-awarded amount shall, together with any unawarded portion of the Service Payments, be deemed Unawarded Funds and disbursed according to Paragraph 6.G.

6. The Allocation of the Settlement Fund and Disbursement of the Settlement Fund Payments to Class Members.

A. Guaranteed Funds.

The Guaranteed Funds shall be disbursed pro rata to all Class Members and Penalty Subclass Members, respectively, who do not timely opt out. In the event that any Guaranteed Funds are not able to be disbursed to Class Members, whether through the opt-out of a Class Member, multiple returned mailings, returned settlement check, failure to negotiate a disbursement check within 180 calendar days, or otherwise, that Class Member's share of the Guaranteed Funds will be deemed Residual Funds and disbursed according to Paragraph 6.F.

B. Claimable Funds.

The amount of Claimable Funds shall be allocated pro rata to the Penalty Subclass Members. If a Penalty Subclass Member submits a claim, the share of the Claimable Funds allocable to that Penalty Subclass Member will be disbursed to them along with the Guaranteed Funds. If a Penalty Subclass Member does not submit a claim, their Claimable Funds shall be deemed Unclaimed Funds and will

revert to Defendants. The Class Representatives are deemed to be members of both the Class and the Penalty Subclass, and deemed to have already timely submitted a claim for their shares of the Claimable Funds.

C. Returned Notices.

In the event that any Notice is returned as undeliverable, the Settlement Administrator shall promptly re-mail or re-email or re-text the returned item to the corrected mailing address or email address or telephone number of the intended recipient as determined by postal forwarding address or through a search of a national database, if any. If a corrected mailing address cannot be obtained for the Class/Subclass Member, or in the case of two mailing returns attributable to any Class Member, the Guaranteed Funds due to that Class Member will be deemed Residual Funds and treated in accordance with Paragraph 6.F. below; and any Claimable Funds amount allocable to a Penalty Subclass Member will be deemed Unclaimed Funds and revert to Defendants.

D. Returned Settlement Checks.

In the event that any Settlement Fund disbursement is returned as undeliverable, if the Settlement Administrator has not already received a returned mailing attributable to that Class Member, the Settlement Administrator shall promptly re-mail the returned item to the corrected address of the Class Member as determined by postal forwarding address or through a search of a national database, if any. If a corrected address cannot be obtained, or in the case of two returns attributable to any Class Member, the disbursements due to that Class Member will be deemed to be Residual Funds and treated in accordance with Paragraph 6.F. below.

E. Unclaimed Funds.

The Claimable Funds allocated to any Penalty Subclass Member who does not submit a claim shall be deemed Unclaimed Funds and shall revert to Defendants.

F. Residual Funds.

In the event that there are any Settlement Funds remaining in the QSF for any reason, including returned Notices/Settlement checks, Settlement checks which are not deposited or negotiated within 180 calendar days after their date of issuance, portions of the minimum claimable funds that are not claimed, accrued interest, any unspent portion of the Settlement Administration Costs, any funds remaining as a result of rounding or fractions of cents, or for any other reason, such Residual Funds will be disbursed: 50% going to the Oregon State Bar for the funding of legal services provided through the Legal Services Program established under ORS 9.572; and 50% to the Northwest Workers Justice Project, a local 501(c)(3) non-profit organization dedicated to employee rights education and enforcement, as a *cy pres* distribution. No portion of the Residual Funds shall revert to Defendants for any reason, or be disbursed to Class Counsel.

G. Unawarded Funds.

Class Counsel will request that the Court award \$1,183,333.00 in attorney fees, and no more than \$125,000 in costs and non-administrative expenses; the Class Representatives will request that the Court award them \$15,000 each as a Service Payment; and Class Counsel will seek the allocation of up to \$125,000 to settlement administration expenses. Any portions of those amounts that are not awarded by the Court shall be deemed Residual Funds and distributed in accordance with Paragraph 6.F.

H. Disputed Claims.

To the extent possible, disputed claims will be resolved prior to finalizing the amounts distributable to Class Members and paid from the Net Settlement Fund (not Residual Funds). Defendants' records are presumed to be correct, unless the individual challenging the records proves their entitlement to Settlement Funds with documentary evidence. If both parties allow a disputed claim, it shall be paid; if either party objects, the claim shall not be paid. Payments to Class Members who successfully dispute claims will be satisfied with Residual Funds, if not resolved prior to finalizing the amounts distributable to Class Members paid from the Net Settlement Fund.

7. Notification of Possible Tax Consequences to Class Members.

The ultimate amounts of the Settlement Fund payments allocated to each Class Member are pro rata divisions of aggregate figures resulting from and reflecting the Parties' good-faith negotiations regarding a number of unliquidated (and in some cases unknowable) categories of potential damages. However, due to the nature of the violations at issue, it is estimated that only \$63,647.64 in Guaranteed Funds represent actual unpaid back wages (\$19.48 per class member). The vast majority of the Settlement Fund includes provision for prejudgment interest, penalty wages, and any and all other categories of potential non-wage recovery resulting from the Litigation. As such, and due to the inability to fix the relative amounts of such damage categories without further litigation, the Settlement Administrator will issue a W-2 to each Class Member whose portion of the unpaid wage Guaranteed Funds is actually distributed to that Class Member, with wage withholdings to be withheld from those portions. The Settlement Administrator will issue IRS Form 1099s to Class Members, with the net amount of the Settlement Fund payment designated as "Other Income" on such forms, for all categories of payments (including any Service Payments awarded by the Court) other than the unpaid wage Guaranteed Funds—no tax withholdings from such funds will be made by either Defendants, Class Counsel, or the Settlement Administrator. The Settlement Administrator will provide a prominent notice with the checks to the class members in substantially the following language: "Note that \$19.48 of these funds are considered wages and have had taxes withheld. You will receive an IRS Form W-2 for those funds to file with your taxes. But **[\$863.04 if a Penalty Subclass member, \$11.13 if not]** of your funds are not considered wages and have not had taxes withheld. You will be provided an IRS Form 1099 for this part of the payment to file with your taxes. As a result, you will have to pay the taxes on that payment yourself, and should talk to a tax advisor if you have questions." No Party makes any representation to any other Party as to the possible tax treatment of any payment hereunder.

No wage withholdings will be taken from the portions of the unpaid wage Guaranteed Funds that are distributed to *cy pres* beneficiaries.

In the event that it is subsequently determined by the United States Internal Revenue Service or any other appropriate taxing authority (each a "Taxing Authority") that any Party owes any additional taxes with respect to any money distributed under this Settlement, it is agreed that the determination of any tax liability shall be between such Party and the Taxing Authority, and that no other Party shall be responsible for the payment of such taxes, including any interest and penalties.

8. Mutual Release of Claims Regarding Class Representatives.

Class Representatives and Defendants release and discharge each other from any and all claims of any kind whatsoever, whether arising during or before the class period, whether known or unknown, contingent or actual, whether based on common law, regulations, statute, or a constitutional provision, under state or local law, whether or not arising out of the allegations made in this action, including but not limited to claims for or related to alleged unpaid wages, overtime, damages,

penalties, interest, attorney fees and costs, and all other claims and allegations whether or not made in this action or arising out of the facts or could have arisen out of the facts alleged in this action. The sole exception to this section is the settlement of Defendants' counterclaim and Class Representative Timothy South's counterclaim-in-reply, which are resolved via separate document. It is intended that the release in this paragraph, combined with that separate document, will together operate such that all Class Representatives and all Defendants will have globally released and discharged all possible claims against one another.

9. Released Claims of Class Members.

Each Class Member who has not opted out, and without the need to manually sign a release document, releases and discharges Defendants from any and all claims of any kind whatsoever, whether arising during or before the class period, whether known or unknown, contingent or actual, whether based on common law, regulations, statute, or a constitutional provision, under state or local law, as asserted in this action or that could have been asserted in this action based on the allegations in the complaint, including but not limited to claims for or related to alleged unpaid wages, overtime, damages, penalties, interest, and attorneys' fees and costs, but excluding FLSA claims unless a Class Member submits a timely and valid Claim Form. For Class Members who submit a timely and valid Claim Form, the Released Claims also include FLSA claims.

All Released Claims shall be deemed released as to all releasing Class Members on the Effective Date of this Agreement.

10. Reservation of Rights.

Defendants expressly reserve the right to object to, offset, or oppose any and all claims, obligations, or causes of action, of any type, except those expressly allowed under this Settlement.

11. The Class Notice.

As noted above, the Settlement Administrator shall prepare and distribute the Settlement Notices, with the reasonable cost of such distribution to be paid from the Gross Settlement Funds. Within 10 calendar days after Preliminary Approval of this settlement, Defendants shall deliver to the Settlement Administrator and Class Counsel the most recent known name, employee number, date of birth, social security number or tax ID number, mailing address, email address, and telephone number for each Class Member, as well as Defendants' legal name, federal EIN, and Oregon Business ID number. All such information shall be deemed Confidential under the protective order on file. The Settlement Administrator's address will be used as the return address for the Settlement Notices so that any returned Notices will be returned to the Settlement Administrator.

Notices will issue and be posted within 45 calendar days from the Court's order granting preliminary approval. The Settlement Administrator shall mail the Notices by first-class mail to the Class Members at the addresses provided by Defendants, email the Settlement Notices to the Class Members at the email addresses provided by Defendants, and text the Settlement Notices to the Class Members at the telephone numbers provided by Defendants (all as updated by the Settlement Administrator by comparison to an existing database if available and as applicable, using dates of birth and social security numbers/tax ID numbers provided by Defendants) at the date ordered by the Court. The Settlement Notices shall be in the form annexed hereto as Exhibits C–D or such substantially similar form as may be agreed upon by the parties and/or approved by the Court. In the event that a Settlement Notice is returned in any form as undeliverable, the Settlement Administrator shall re-send the Settlement Notice to the corrected address/email address/telephone number of the intended Class Member recipient as applicable, as determined by the Settlement

Administrator through postal forwarding or a search of an applicable national database, if any, if no previous notice has been returned for that Class Member. In the event that any re-mailed Settlement Notice is returned as undeliverable and that Class Member has not submitted a Claim Form or change of address, the portion of the Guaranteed Funds otherwise attributable to that Class Member shall be deemed Residual Funds and treated in accordance with Paragraph 6.F. above, and their share of the Claimable Funds (if any) will be deemed Unclaimed Funds and treated in accordance with Paragraph 6.E.

12. Claim Forms.

Each Class Member will receive his/her/their portion of the Guaranteed Funds, irrespective of whether that Class Member submits a claim. To claim a Class Member's portion of the Claimable Funds, the Class Member must submit a claim to the Settlement Administrator via US mail, fax, email, or secure website, including verifying the member's identity by: (1) indicating the member's name, birthdate, and social security number or tax ID number on a paper or online Claim Form; and (2) physically or electronically signing the Claim Form. The Class Members will have 90 calendar days from the date of initial sending of the class notice to submit a claim. The Class Representatives are hereby deemed to have already timely submitted a Claim Form.

13. Objection to Settlement Procedures.

Within 30 calendar days of dissemination of the Notice, a Class Member may object to this Settlement or any aspect or portion thereof by delivering timely written notice of such objection (a "Notice of Objection") to the Settlement Administrator and filing such Notice of Objection with the Court. The Notice of Objection shall clearly specify the basis for such objection, the relief sought, if any, and the grounds for such relief.

14. Acceptance and Effectiveness of the Settlement.

The effectiveness of this Settlement shall be subject to and contingent upon the entry of an order and/or judgment of the Court at or after or in lieu of the Fairness Hearing, approving this Settlement and upon such order having become final and non-appealable; provided, however, in the event that the Court or a court with competent jurisdiction determines that the Service Payments and/or Class Counsel's Fees and Costs provisions and/or allocation for settlement administration expenses are unreasonable, the Parties shall amend such Service Payments and/or Class Counsel's Fees and Costs provisions and/or allocation for settlement administration expenses so as to render the same reasonable to such court without modifying the liquidated amount of the Claims set forth in Paragraph 3.A.

15. No Litigation.

Except as may be necessary to enforce the terms of this Settlement, Defendants and Class Representatives agree that they shall not commence or proceed with any action, claim, suit, proceeding, or litigation against each other, directly or indirectly, regarding or relating to the matters described herein, or take any action inconsistent with the terms of the Settlement.

16. No Admission of Liability or Non-Liability.

This Settlement is intended to settle and dispose of the Released Claims. Nothing herein shall be construed as an admission by any Party of any facts or liability or non-liability of any kind. If the settlement is not finally approved, Defendants retain the ability to challenge the propriety of class certification on appeal.

17. Representations and Warranties.

Each Party represents and warrants that upon Final Approval it will have the legal right and authority to enter into this Settlement and the transactions and releases contemplated hereby.

18. Miscellaneous.

A. Jurisdiction.

The Multnomah County Circuit Court shall have exclusive jurisdiction over this Settlement and continuing jurisdiction over any dispute or controversy arising from or related to the interpretation or enforcement of this Settlement.

EXHIBIT B

Method Used to Calculate Settlement Fund Payments Due to Class Members

The Settlement Administrator shall calculate the portion of the aggregate net Settlement Fund that will be disbursed to each Class Member on an individualized basis in the following manner. The Net Settlement Fund (after first being reduced on account of the requested Class Counsel's Fees and Costs, Service Payments, and Settlement Administration expenses) will be allocated to each Class Member according to the following formula:

A portion of the Net Settlement Fund will be distributed to each Class Member equal to:

- a. Guaranteed Funds of \$100,000, which will be distributed pro rata to each Class Member, regardless of whether they submit a claim or not. The Guaranteed Funds represent the following figures, intended to make the Class Members whole for any alleged violations in this case:
 - (1) \$63,647.64 in alleged unpaid wages, pro rata to each Class Member (\$19.48 each), from which wage withholdings will be made, and for which a W-2 will issue; and
 - (2) \$36,352.36 in alleged prejudgment interest on unpaid wages, pro rata to each Class Member (\$11.13 each), from which no wage withholdings will be made, and for which a 1099 will issue;
- b. Claimable Funds equal to \$1,986,666.67. The Claimable Funds will be allocated pro rata to each of the Penalty Subclass Members. That amount will be the "claimable share" amount.
 - (1) **Payment by Defendants:** The claimable share amounts for all Penalty Subclass Members will be added together. The portion of the Claimable Funds that Defendants must pay is called the "Claimed Amount." The Claimed Amount will be equal to the sum of the claimable share amounts for all Penalty Subclass Members who submit valid and timely claims, or \$686,666.67, whichever is greater. Defendants will pay at least \$686,666.67 in Claimable Funds regardless of how many claims are made.
 - (2) **Distribution to Penalty Subclass Members:** Each Penalty Subclass Member who submits a valid and timely Claim Form will be distributed their share of the Claimable Funds (\$851.92). The Claimable Funds share allocable to any Penalty Subclass Member who does not submit a valid and timely Claim Form will be deemed Unclaimed Funds and revert to Defendants (subject to the minimum claimable funds payout of \$686,666.67). All claimed Claimable Funds represent penalty wages and interest, from which no wage withholdings will be made, and for which a 1099 will issue. For allocation purposes, 72.44% of each claimable share (\$617.13) will be allocated to penalties, and 27.56% (\$234.79) will be allocated to prejudgment interest on those penalties. Any portion of the Claimed Amount that is not distributed to Penalty Subclass Members will be deemed Residual Funds and disbursed in accordance with paragraph 6.F of this Agreement.

Learning About the Lawsuit

What is this lawsuit about?

Timothy South and Sharla Gaskill filed a lawsuit in 2020 claiming that UTB Enterprises, LLC, Goldenband, LLC, Donald D. Armstrong, and Lori Armstrong violated Oregon laws regarding worker wages and hours. Specifically, that they did not pay for legally required meal periods that were less than 30 minutes.

UTB Enterprises, LLC, Goldenband, LLC, Donald D. Armstrong, and Lori Armstrong deny that they did anything wrong.

Where can I learn more?

You can get a complete copy of the proposed settlement and other key documents in this lawsuit at:

UTBGoldenbandClassAction.com

Why is there a settlement in this lawsuit?

In November 2024, the parties agreed to a settlement. This means they have decided to resolve the legal issue without going further in court. This way, they avoid spending more money and taking further risks.

The settlement is for the workers who brought the case and all members of the settlement class. The Court has not decided this case in favor of either side.

What is a class action settlement?

A class action settlement is an agreement between the parties to resolve and end the case. Settlements can provide money to class members and changes to the practices that caused the harm.

What happens next in this lawsuit?

The Court will hold a Fairness Hearing to make sure everything is fair, and to decide on the proposed settlement. The hearing will be held at:

Where: Multnomah County Courthouse
1200 SW 1st Ave, Portland, OR 97204.

When: [time] on [date].

The Court has directed the parties to send you this notice about the proposed settlement. Because the settlement of a class action decides the rights of all members of the proposed class, the Court must give final approval to the settlement before it can take effect. Payments will only be made if the Court approves the settlement.

You don't have to attend the hearing, but you may do so at your own expense. You may also ask the Court for permission to speak and express your opinion about the settlement. If the Court does not approve the settlement, it will not take effect and the lawsuit will continue. The Court may cancel the hearing, or its time or date may change, without further notice to members of the class. To learn more and confirm the hearing date, go to UTBGoldenbandClassAction.com.

Learning About the Settlement

What does the settlement provide?

UTB Enterprises, LLC, Goldenband, LLC, Donald D. Armstrong and Lori Armstrong agreed to pay up to \$3.55 million into a settlement fund. This money will be divided among the class members and will also pay for costs and lawyer fees approved by the Court, and for the cost of administering this settlement. Members of the settlement class will "release" their claims as part of the settlement, which means they cannot sue UTB Enterprises, LLC, Goldenband, LLC, Donald D. Armstrong or Lori Armstrong for the same issues and legal violations raised in this lawsuit. The full terms of the release are found at UTBGoldenbandClassAction.com.

The settlement provides that each class member will receive their share of guaranteed money. Eligible class members who submit valid claim forms will also receive extra money, which is called claimable money or claimable funds.

The settlement also provides up to \$15,000 to each of the workers who brought this lawsuit, Timothy South and Sharla Gaskill, to compensate them for their work on the case. These are called "service payments."

If there is money left over after the claims and expenses are paid, it will be donated to Legal Aid Services of Oregon and the Northwest Workers' Justice Project, a local 501(c)(3) nonprofit dedicated to employee rights education and enforcement.

How do I know if I am part of this settlement?

If you worked as an hourly employee at a McDonalds franchise location operated by UTB Enterprises, LLC, Goldenband, LLC, Donald D. Armstrong or Lori Armstrong at any time after March 8, 2014, and you had a meal period of less than 30 minutes during a six-hour shift that was not paid, you are part of this settlement.

If you are unsure of whether you are part of this settlement, contact the Settlement Administrator at [phone number, email].

How much will my payment be?

Your payment amount will depend on the following factors:

- How recently your employment took place, and
- Whether or not you submit a claim form

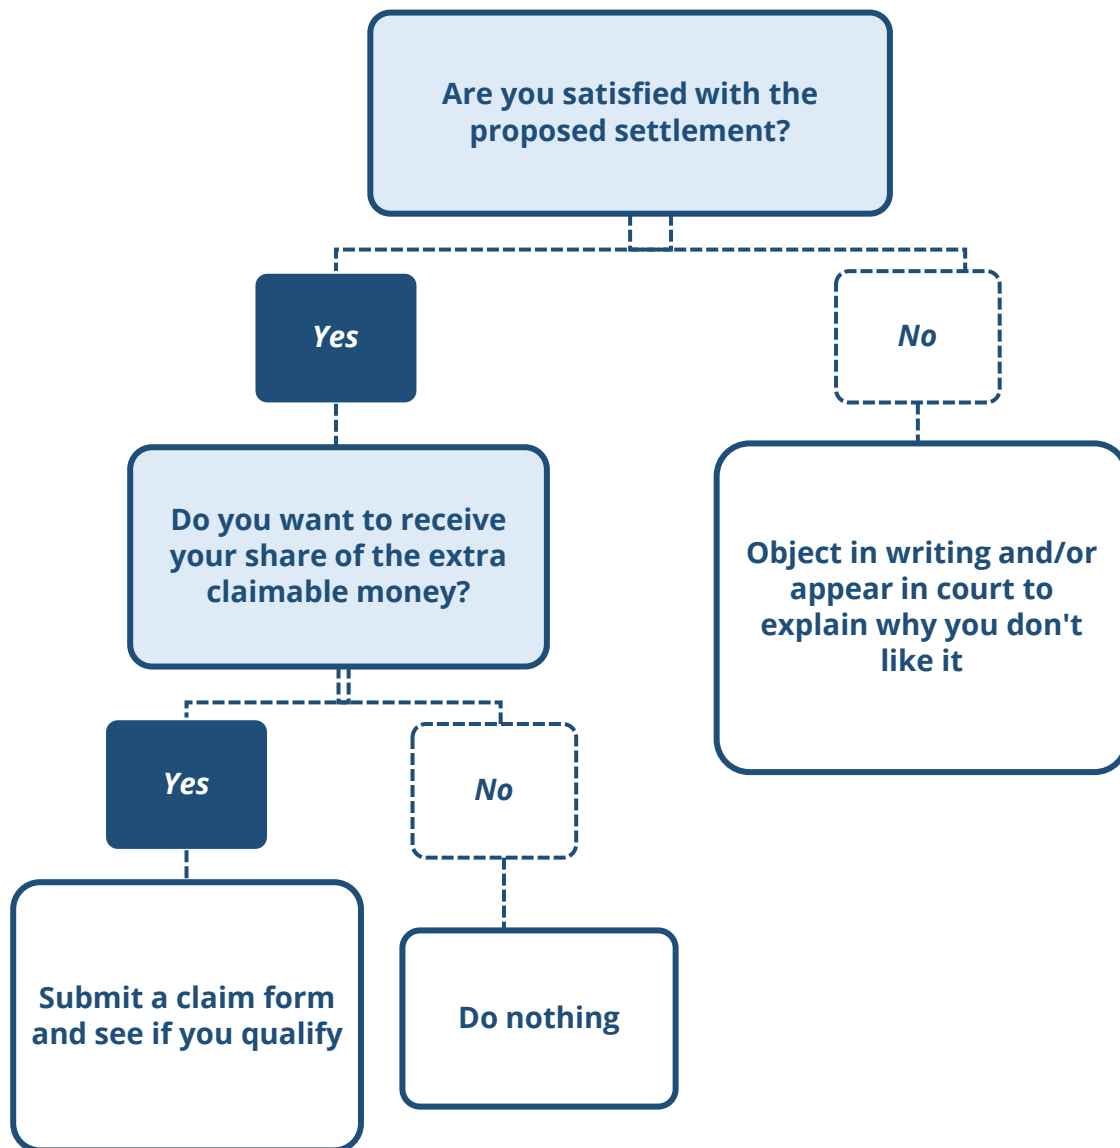

Deciding What to Do

How do I weigh my options?

You have three options. You can stay in the settlement and submit a claim, you can object to the settlement, or you can do nothing. This chart shows how each option affects your rights:

	Object	Do Nothing	Submit a Claim
Can I receive settlement money if I . . .	YES	YES	YES
Am I bound by the terms of this lawsuit if I . . .	YES	YES	YES
Can I pursue my own case if I . . .	NO	NO	NO
Will the class lawyers represent me if I . . .	NO	YES	YES

What is the best path for me?

Submitting a Claim

How do I get a payment if I am a class member?

There is guaranteed money that will be distributed to all class members. If you wish to potentially receive extra money, you must submit a completed claim form to see if you qualify. You can make a claim online, or download a claim form at UTBGoldenbandClassAction.com and mail, email, or fax it to the Settlement Administrator (address below). The deadline for submitting a claim is [date]. Mailed claim forms must be postmarked by that date.

Do I have a lawyer in this lawsuit?

In a class action, the court appoints lawyers to work on the case and represent the interests of all the class members. For this settlement, the Court has appointed the following lawyers.

Your lawyers: Jon M. Egan of Jon M. Egan, PC. This is the lawyer who negotiated this settlement on your behalf.

If you want to be represented by your own lawyer, you may hire one at your own expense.

Do I have to pay the lawyers in this lawsuit?

Lawyers' fees and costs will be paid from the Settlement Fund. **You will not have to pay the lawyers.**

Your lawyers have not been paid any money for their work or the expenses that they have paid for the case. To pay for some of their time and risk in bringing this case without any guarantee of payment unless they were successful, your lawyers will request, as part of the final approval of this Settlement, that the Court approve a payment of up to \$1,833,333.33 total in attorneys' fees plus the reimbursement of out-of-pocket expenses.

Lawyers' fees and expenses will only be awarded if approved by the Court as a fair and reasonable amount. You have the right to object to the lawyers' fees even if you think the other settlement terms are fair. The Court's award will not change the amount that you are entitled to.

Your lawyers will also ask the Court to approve a payment of \$15,000 to each of the two Class Representatives for the time and effort they contributed to the case. If approved by the Court, the Service Awards will be paid from the Settlement Fund. The Court's award will not change the amount that you are entitled to.

Objecting

What if I disagree with the settlement?

If you disagree with any part of the settlement (including the lawyers' fees), you may object. You must give reasons why you think the Court should not approve the settlement and say whether your objection applies to just you, a part of the class, or the entire class. The Court will consider your views. The Court can only approve or deny the settlement — it cannot change the terms of the settlement. You may, but don't have to, hire your own lawyer to help you.

To object, you must send letters to both the Settlement Administrator and the Court that:

- (1) are postmarked by [date];
- (2) include the case name and number (South v. Armstrong, 20CV29671)
- (3) include your full name, address and telephone number, and email address (if you have one);
- (4) state the reasons for your objection;
- (5) say whether either you or your lawyer intend to appear at the final approval hearing and your lawyer's name; and
- (6) include your signature.

Mail the letter to both of these addresses:

South v. Armstrong Notice Administration c/o Settlement Services, Inc. PO Box 10269 Tallahassee, FL 32302-2269	Multnomah County Circuit Court 1200 SW 1st Ave Portland, OR 97204
---	---

Doing Nothing

What are the consequences of doing nothing?

If you do nothing, you will only be mailed your share of the guaranteed money. You will not receive your share of any extra claimable money if you are entitled to any. You will be bound by the settlement and its “release” provisions. That means you won’t be able to start, continue, or be part of any other lawsuit against UTB Enterprises, LLC, Goldenband, LLC, Donald D. Armstrong or Lori Armstrong about the issues in this case. A full description of the claims and persons who will be released if this settlement is approved can be found at UTBGoldenbandClassAction.com.

SETTLEMENT AGREEMENT AND GENERAL RELEASE

The parties to this Settlement Agreement and Release (Agreement) are Timothy South (South), and Donald D. Armstrong, Lori Armstrong, UTB Enterprises, LLC, and Goldenband, LLC (Defendants). This Agreement refers to South and Defendants collectively as the Parties.

In consideration of the terms of this Agreement, the Parties agree as follows:

1. Settlement Amount. As consideration for this Agreement, Defendants will pay South the gross sum of \$7,500.00 (Settlement Amount). The Settlement Amount is being paid as compensation for South's counterclaim-in-reply, as well as for the general release by each Party of their Claims as described in this Agreement. The Settlement Amount will be paid as follows:

- a. Defendants will pay \$7,500 to South for liquidated damages, penalty wages, prejudgment interest, attorney fees, statutory damages, and all other non-wage amounts. No deductions or withholdings will be made from this payment, and this amount will be reported on a Form 1099 issued for this payment and addressed to South's counsel.

The consideration set forth above is in full and complete global settlement of all of the Parties' counterclaim and counterclaims-in-reply against one another (collectively, "counterclaims") as set forth in the pleadings, as well as the general releases described in this Agreement. Under no circumstances will any Party be obligated to pay any amount to any other Party in connection with the claims except, or in excess of, the Settlement Amount. The Parties agree the released claims are known and identified for purposes of O.R.S. § 652.360 and the Fair Labor Standards Act.

The Settlement Amount will be made via check made out to "Jon M. Egan, PC IOLTA Account" and mailed to Jon M. Egan, PC, 15875 Boones Ferry Rd. Unit 1527, Lake Oswego, OR 97035, within 10 days after the Court's preliminary approval of the class settlement in Case No. 20CV29671.

2. General Release. In consideration of the Settlement Amount described in Paragraph 1 of this Agreement, each party releases and discharges the other from all charges, complaints, claims, liabilities, obligations, promises, agreements, controversies, damages, actions, causes of action, suits, rights, demands, costs, losses, debts, and expenses (including attorney fees and costs actually incurred), of any nature, known or unknown, in law or equity. Without limiting the scope of this general release, each party understands that this general release applies, but is not limited, to:

- a. All claims involving the Defendants and any parent companies, subsidiaries, affiliates, and divisions of Defendants, as well as each of their respective officers, directors, employees, shareholders, members, and agents, and South and his heirs and assigns (collectively, the Released Parties).
- b. All claims contained in or covered by the pleadings.

- c. All claims arising out of or related to South's employment with Defendants or the termination of South's employment with Defendants.
- d. All claims arising from or related to any alleged violation by the Released Parties of any federal, state, or local statutes, ordinances, or regulations, including, but not limited to:
 - i. the FLSA;
 - ii. the Age Discrimination in Employment Act (the ADEA);
 - iii. the Americans with Disabilities Act;
 - iv. Title VII of the Civil Rights Act of 1964, as amended;
 - v. 42 U.S.C. § 1981, as amended;
 - vi. the Equal Pay Act;
 - vii. the Employee Retirement Income Security Act;
 - viii. the Consolidated Omnibus Budget Reconciliation Act;
 - ix. the Rehabilitation Act of 1973;
 - x. the Civil Rights Act of 1991;
 - xi. the Family and Medical Leave Act (the FMLA);
 - xii. the Surface Transportation Assistance Act;
 - xiii. all similar or parallel state employment laws, including O.R.S. § 652.010, *et seq.*, and O.R.S. § 653.010, *et seq.*
 - xiv. the Internal Revenue Code and related regulations;
 - xv. Oregon tax laws;
 - xvi. any other employment laws.
- e. All claims based on constitutional, statutory, common law, or regulatory grounds, and any and all claims based on theories of workers' compensation retaliation, breach of contract or implied covenant, deprivation of equity interest, shareholder rights, conversion, defamation, retaliation, wrongful or constructive discharge, fraud, misrepresentation, promissory estoppel, or intentional and/or negligent infliction of emotional distress.
- f. All claims for any relief, no matter how denominated, including, but not limited to, back pay, front pay, vacation pay, holiday pay, bonuses,

compensatory damages, punitive damages, damages for pain and suffering, liquidated damages, penalties, costs, lost profits, and attorney fees.

The parties do not waive any claims based on events arising after the execution of this Agreement. This general release applies only to those claims that any party now has, owns, or holds, or which the party had, owned, or held, or claimed to own at any time before execution of this Agreement, against any or all of the other Parties.

3. **Termination of All Proceedings.** South agrees to include in the parties' motion for approval of the class settlement a request that the Court approve this settlement agreement and enter a judgment of dismissal of the Parties' counterclaim and counterclaim-in-reply with prejudice, in a form agreed to by the Parties. The Parties agree that the Court's entry of judgment shall terminate all proceedings in this case and that no party shall institute further proceedings unless further proceedings are required to enforce the terms of this Agreement.

4. **Maintenance of Parties' Previous Positions.** Nothing in this Agreement shall constitute or should be construed as an admission of liability or wrongdoing by any Party. Each Party expressly denies that they have done anything wrong or unlawful. Nor shall anything in this agreement constitute or be construed as an admission by any Party that any other Party is free of liability or wrongdoing. Each Party expressly alleges the same wrongdoing and unlawful behavior by all other Parties that has been alleged in this case.

5. **Integration.** This written Agreement, together with the Class Action Settlement Agreement, contains the entire agreement of the Parties regarding the settlement of all claims. Each Party acknowledges they have not relied upon any representations or promises except as set forth in this Agreement and have not relied upon the other Party or Party's counsel for any advice on or interpretation of the legal or tax implications of this Agreement. By signing below, the Parties acknowledge receipt of a copy of this Agreement. Each Party has been advised to seek the advice of a Certified Public Accountant or other tax advisor to review the Agreement and to advise each Party concerning how all of the terms and conditions of this Agreement may affect their future tax liabilities. The Parties have had the opportunity to retain their own Certified Public Accountants, tax advisor or tax attorney with reference to the tax implications of this Agreement. Further, the Parties' signatures to this Agreement serve as the acknowledgment that they have read this particular Paragraph and that they have had the opportunity to seek independent advice. All Parties acknowledge their attorneys provided them no tax advice and they have not relied on any representations of their lawyer in providing tax advice.

6. **Severability.** Should any clause of this Agreement be found void by a court of law, that fact will not impair the remainder of this Agreement.

7. **Amendment.** This Agreement may not be modified, altered, or changed, except upon express written consent of the Parties.

8. **Governing Law and Choice of Forum.** This Agreement must be interpreted and enforced in accordance with the laws of the State of Oregon. The Parties submit to the exclusive jurisdiction of the Multnomah County Circuit Court for enforcement of this Agreement. Any

lawsuit in any way related to this Agreement must be brought in the Multnomah County Circuit Court.

9. **Construction of Agreement.** This Agreement is the result of negotiation and compromise. In interpreting this Agreement, neither Party should be considered to be the drafter of the document and the language should not be strictly construed against either Party. Instead, the language of the Agreement should be interpreted in a manner consistent with the ordinary and reasonable meaning of the words used.

10. **Binding Effect.** This Agreement is binding upon and inures to the benefit of the Parties and their respective heirs, executors, administrators, officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, successors, and assigns.

11. **Expenses.** The Parties must pay their own expenses, including, without limitation, any attorney fees, court costs, pleading preparation, legal and expert fees, or other expenses incurred for the negotiation, preparation, and execution of this Agreement, with the exception of the payment of the Settlement Amount by Defendants to South referenced in Paragraph 1.

12. **Counterparts.** This Agreement may be executed in identical counterparts, each of which will constitute an original of this Agreement. Signatures of the Parties may be exchanged by facsimile or electronically (e.g. PDF) and same will be treated as an original.

13. **Construction in conjunction with Class Action Settlement Agreement.** This agreement is intended to be construed to settle the Parties' individual counterclaims against one another, which were carved out of the Class Action Settlement Agreement for settlement by separate document. This is that document. Together the Class Action Settlement Agreement and this agreement are intended to cover the global universe of potential claims by the Parties against one another. With the sole exception of that purpose, nothing in this document is intended to limit or invalidate the Class Action Settlement Agreement, and vice versa.

14. **Understanding and Voluntariness.** EACH PARTY REPRESENTS AND AGREES THAT THEY HAVE DISCUSSED ALL ASPECTS OF THIS AGREEMENT WITH THEIR COUNSEL, HAVE CAREFULLY READ AND FULLY UNDERSTAND ALL OF THE PROVISIONS OF THIS AGREEMENT, AND ARE VOLUNTARILY ENTERING INTO THIS AGREEMENT.
